Glenisk yogurts from €1.46 for a 450g tub

**GLENISK**, Ireland's leading family-owned organic food company has completely repackaged its entire range of dairy products, and has also launched a number of new dairy products aimed directly at health and environmentally-conscious families.

New yoghurt choices include blueberry and vanilla, a new kid's yoghurt and a nutritionally-balanced fromage frais range suitable for babies from six months.

Other additions include a range of low-fat

dessert yoghurts – Chocolate Underground, Caramel Underground and Blueberry Underground, which feature a layer of chocolate, caramel or blueberry under a topping of low-fat vanilla yoghurt.

The Goats Milk Yoghurt range, perfect for those sensitive to other milks, offers new flavours too.
