

☐ Dairy well done Firm wins award for cutting packaging waste

GLENISK Organic Dairy, Newtown, Co Offaly, has been awarded the Repak Best Practice Award for outstanding

achievements in the reduction of packaging waste. The firm achieved a 45pc reduction in waste going to landfill and is

now using paper yogurt pots sourced from sustainably managed forests, instead of plastic pots. At the award

presentation last night were Bob Cullen, of Repak, with Mark and Vincent Cleary, from Glenisk. JOHNNY BAMBURY/FENNELLS
