Prizing an organic spread

Organic dairy producer **Glenisk** has won this year's overall National Organic Award for its new organic butter – the first to be produced in Ireland. The dairy firm has also just launched a range of Greek-style yogurts in natural and blueberry flavour. The yogurts are priced between €2.49 and €2.69. You'll have to wait until the end of the month until the butter hits the shelves, priced at around €1.99.
