BEST BUY

Glenisk Organic Natural Probiotic Yogurt

€1.92/500g
Thick, rich and deliciously creamy. Delicately sweet and fresh. Addictively good

Onken Natural Biopot Set Yogurt

€1.58/500g
Incredibly light, with barely there taste. Tastes more like milk than tangy yogurt. Thin, plain and unremarkable

**

Yeo Valley Organic Natural Probiotic Yogurt

€1.89/500g
Creamy and smooth with subtle, grassy tang. Refreshing, with lots of character

Yoplait Natural Yogurt

€1.85/500g
Light and thin with a sour edge. Overly plain and rudimentary
